

# ADS-B and NextGen - Next Generation Air Transportation System

Dennis Miller will present an overview of the ADS-B system.

John Hoffa of Michiana Aircraft Service will answer questions regarding implementing ADS-B by the January 1, 2020 deadline. Weather permitting, John hopes to bring their Bonanza, which has a GDL 88, as well as their Lynx demo and information on the Navworx experimental box.

**Directions:** This event will take place in the terminal building. If flying in, please park in front of the terminal as space permits. Those driving in should park on the south side of the terminal building.
